# AUGIE CAGERS IN SEASON'S FINALE

# **SWEDBERG AND NINE PLAYERS DEPART ON TRIP**

Scheduled to Play Normal University Tonight and Illinois Wesleyan Tomorrow.

BY KENNETH CONREY. Coach Swedberg of Augustana and nine of his basketball players left this morning for Bloomington where the present season will be closed. Tonight Augie meets Normal university at Normal, just two miles outside of Bloomington, and tomorrow the fast Illinois Wesleyan quintet will furnish the op-

Last year the Swedes nosed Normal out of the Little Nineteen tournament by the narrow margin of one point. Three men are back this year for Normal, and from the reports that can be had Normal has a team which will give Augustana's a good run.

troduction to tri-city basketbail fans. Coach Wimberly has developed one of the fastest teams of the conference. Most of the games played by the Wesleyan five have been chalked up in the win column having defeated such teams as Mil likin, Knox and Monmouth. Augie succeeded in downing the Wesleyan hopefuls in one of the best games played on the Augie gym this year, three weeks ago, 25 to 18. Confidence reigns at the Lutheran insti-tution that the Swedes will duplicate the feat tomorrow.

Two practices have had to suffice at the Augie camp this week on account of the high school district tournament just completed, Coach Swedberg sent his men through a workout last night, and from the results it would seem that the little layoff did the squar a lot of good. Wesleyan, too, has had a similar layoff, so tomorrow's contest should be a corker. Chance for Title.

Despite the fact that Monmouth s claiming the conference honors, if Augusana wins tonight's contest with Normal and that of tomorrow with Wesleyan, both of which are onference games, then the Rock Island school will have just as good a claim to the honors as has Monmouth. Stegeman's team has lost three conference tilts this season, and in the event of Augustana's winning these next two contests, the Lutherans will have lost only three. Augie must win both contests, however, to be in the run

### GRID LEADER

VINCENT MCARTHY.

Vincent McCartby of Rock Island, quarterback on the St. Viator college football team, Bourbonnais, Ill., the last three seasons, has been chosen to pilot the 1922 Viatorian machine. The captain-elect is one of the finest athletes in the Little Nineteen conference, carning a place on the all-conference team chosen by Fred H. Young and H. V. Millard and named by Eckersall in his review of western football as one of the six best quarterbacks in the middlewest. Mae is a brilliant performer in running an open field and is conceded by erities the best forward passer in conference circles.

McCarthy is a basketball and

seball player of exceptional ability. His work on the gym floor this season has placed him well forward for a place on the all-state honor team as guard. McCarthy is one of the most popular men that has ever attended the Bourbonnais college. During the past year he has been vice president of his class and holds office in every representative organization in student life. He is a junior and has been appointed one of tome, the new college year book.
